Congratulations!!!

To Sean & Amanda Pomeroy, their new baby, Addison Leigh was born April 15 at 12:28pm at 7lb 8oz and 21.5 in. She also has red hair! She spent about a week in the hospital but she is healthy now and home at last. Buddy and Renny are doing great with her and luckily she doesn't even stir when they bark! We hope to see them back in class soon!

Some Sick Critters

Some of our students have sick dogs and I am asking all of you to remember them in your prayers. These dogs have brought the human members of Cool Critters together!

Bailey, the Bedlington Terrier owned by Kathy Thomas, has a liver shunt, and the vets are hoping to treat him with medication and avoid. This has been really hard on Kathy, who lost her husband very recently.

Elijah, the Boxer owned by Debi & Don White, went into seizures quite suddenly and it was found that he has a brain tumor. Elijah is currently undergoing chemotherapy and radiation.

Shatze, another Boxer owned by Mary & Steve Quinn also quite suddenly developed swollen glands and their vet suspects lymphoma...let's pray the tests come back as an infection!

Dogs Needing a Home

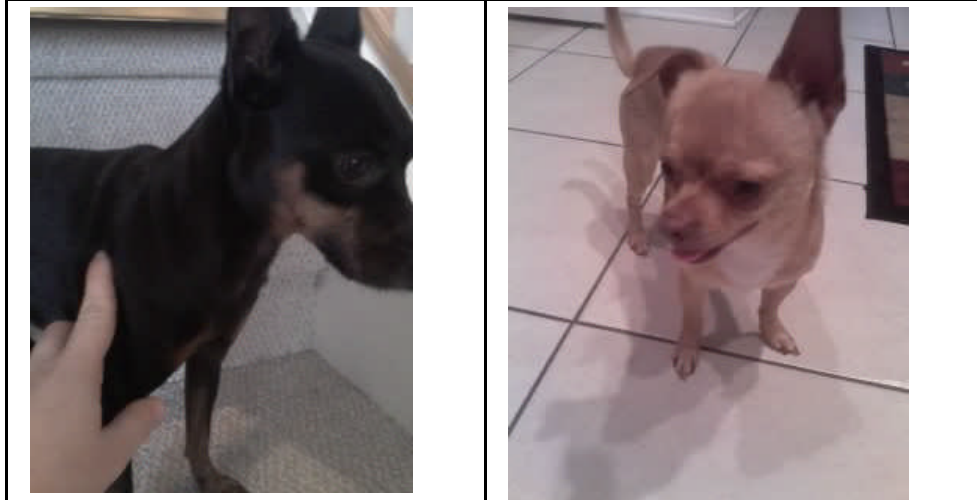

Denise, a friend of Janine Johnson (Dellah's Mom) was driving to school and found 2 of the sweetest & most adorable little dogs. One is a mini pincher & the other is a chihuahua. They were running after a car then ran in front of her, and when she stopped, they ran right up to her & got in the car. She put signs up with no response. She took them to the vet to have them scanned and they are not microchipped.

She believes that the car driving away may have dropped them off. They are soo lovable & are great with kids. She already has 2 dogs & one of them weighs 80 lbs. She would keep them in a heartbeat but 4 dogs is just too much for her to handle right now. And yes, they are housebroken. They even slept with one of her kids!

They are both boys and are not neutered. Check out the pictures I've attached. She does not want to split them up because they are very close & cuddle up to one another. If anyone is interested, please call:

Natural Bug Repellent:

1. Two thinly sliced lemons
2. Sprig of rosemary
3. About 10 drops of Eucalyptus oil (you can get this at the health food stores)

Bring a quart pot of water to a boil. Add lemon and rosemary and turn off the heat. Let seep overnight. Strain out the lemon and rosemary, add eucalyptus and pour liquid into a spray bottle.
